Willie's Redneck Rodeo

If you've ever been to a rodeo you know that several events take place, from riding bulls; to roping calves; to racing wagons; to watch the rodeo clowns and more. Well this week our kids at Vacation Bible School are going to be attending a rodeo. Specifically speaking it's Willie's Redneck Rodeo, and just like any other rodeo there will be many different events taking place. Each day they will be eating; watching a play; doing crafts; learning songs; moving around different stations and as well they will have some fun activities.

However, most important are the lessons they will be focusing upon. They will be looking at five different specific lessons. They are Redonkulous Faith; Radical Forgiveness; Ravenous Prayer; Real Obedience and finally Rowdy Kindness. When you look at this list you realize that really all of us need to focus on, these lessons. We all need to have redonkulous faith, radical forgiveness, ravenous prayer, real obedience and rowdy kindness.

So we need to pray this week for our leaders to be sensitive to the needs of the young people and most importantly to the leadership of the Holy Spirit. Pray also for the young people to pay close attention to the lessons being taught and to the Holy Spirit direction for their lives. We also need to pray that we ourselves as adults will be impacted by these lessons as well.

I have been to a couple of rodeos and I always go away both thrilled and amazed. Let us pray that when our young people are finished with our VBS, that they will go away thrilled and amazed at what God did during our VBS.

Jesus Loves you!

Pastor Ralph

Recommendation

The Cemetery Committee recommends to the church the following: Due to limited space, upkeep and maintenance in the cemetery, we are recommending the following changes to the plot assignment for non-church members.

A non-refundable charge of \$250.00 for a single burial space and \$500.00 for a double space.

This will be added to the Policies & Procedures manual on page 12.

This will be voted on at the June Business Conference.

Ever notice how God is on the scene at just the right time? God is always on time; never behind and never ahead. It is necessary to learn to wait as you pray, and never lose patience with God.
