#### **WHO IS SHELLEM CLINE**

Shellem Cline is a national award-winning artist with a desire to share the Love of Christ with the world. Born in North Carolina, Cline grew up singing with his family, The Gilbert Family, traveling locally. When his grandfather was diagnosed with Crones disease, the family left the road but Shellem continued to pursue a solo ministry. Since then, Shellem has seen a major growth within his ministry and has become a household name within the Christian Country genre. Shellem has stated on several occasions that seeing souls saved is his number 1 priority and every time he stands to sing, winning souls is his ultimate goal. Since going full time in ministry, Shellem has seen over 200 souls come to know Jesus Christ!

#### **ABOUT THE MINISTRY**

Shellem is not just another artist, but many have called him a music evangelist. His unique style combines Christian Country music along with comedy and his own personal testimony, to create a service that will inspire and encourage the believer. Every song that Shellem performs has a message and a story and they all come together to form a dynamic time of worship sharing the love and hope of Jesus Christ. In every service, Cline shares his own testimony on how at the age of 31, a heart attack, lack of blood and what was thought to be cancer was trying to end his life, but he explains how God healed him of that and how God has worked through his life since these trials. With Shellem Cline in a service, You are not just getting a "Christian Singer" but you are getting music and testimony that has proven time after time to reach the heart of congregations across the country and can lead the unbeliever to Christ. Many times Shellem has stated "I am not an Entertainer, Im just a proclaimer of how good my God is and if one soul is saved and a heart encouraged, then it is worth every mile."
